

Star Island

Our mission is to own and maintain Star Island and such other property as the Corporation may hold or acquire, as a center for religious, educational, and kindred purposes consistent with the principles of the Unitarian Universalist Association and the United Church of Christ:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.
- Extravagant hospitality to neighbors and strangers from all walks of life;
- Building an interfaith movement for justice and peace in our time;
- Practicing compassion and nonviolence in service with others;
- Gathering around a welcome table to break bread, practice generosity and grace, and share the deep gladness of faith;
- Learning and risking the ways of Jesus, forgiving, loving, daring, sharing, praising God in all things;
- Cherishing the many mysteries of earth and sky, flesh and spirit, faith and doubt, courage and vulnerability.

We live by these values and principles as part of a larger liberal religious tradition
