### MANAGER'S COTTAGE

Manager's Cottage is a cozy house on the main footpath between the front porch and the chapel. Traditionally it has housed the island manager or other staff. In 2007 we are pleased to make it available for the first time to conferees as housing for your stay! The Cottage's three bedrooms, living room, and bathroom make it an ideal comfortable space to share with extended family or groups of friends.

#### MANAGER'S COTTAGE FEATURES:

- 3 double bedrooms
- Private bathroom with shower\* and hot water sink
- A first-floor living room for socializing with chapel view
- First-floor suitable for small children

You may request the entire cottage or inquire about partial availability—check your Blue Book for rates and contact your conference registrar today to see if Manager's is still available!

*\* Shower use is only for registered guests of Manager's Cottage.  
Showers will be allowed only on regular conference shower days.*
