Medical Information

Star Island Corporation assumes no liability for accidents, illnesses, or their treatment. Our first aid station is equipped only for basic treatment in an emergency, and may not be staffed at all times. Star Island is a remote location with extremely limited capacity to respond to medical emergencies. Evacuation of individuals experiencing significant health issues ranges from one hour (in ideal conditions) to many hours. Star Island Corporation strongly recommends not participating in a conference if you experience any medical condition which might reasonably require emergency medical response. Due to operational costs, conferees who knowingly come to the island with any of the above conditions and then require emergency medical evacuation will be charged for the full conference.

Special Health Conditions

If someone has a condition that affects walking ability, the conference registrar must be informed in advance in order to assist in accommodations. On a separate sheet of paper, please supply information concerning any health condition which might affect participation in conference programs and/or which would help us to provide proper care in case of an emergency. Include names, specific medical conditions, allergies, continuing medication, electrical needs for medical equipment, etc.

Medications

The first aid station does not maintain an inventory of prescription medications. Everyone must bring enough of any needed medicine to cover the length of the stay. We recommend an extra four days worth as a precaution.

Minors

Any person under eighteen attending without a parent or legal guardian is required to submit a Minor Medical Release Form to the conference registrar before your application can be accepted. This form may be downloaded from www.starisland.org.

Each program sets its own registration policy and acceptance criteria. For most programs, registrations received before March 10 will be given priority.

REGISTRATION CHECKLIST

Complete the registration form

Include your email address as conference information will be communicated via email.
