Dear Isaac:

Perhaps you have already heard that the dedication of the two new units (one of which is the Sprague Cottage) is to be held on the early afternoon of Sunday, July 19. I understand that spaces are to be reserved on the morning boat on that day leaving Portsmouth at 11 o'clock (I believe that is the time) for those wishing to attend and the dedications will be over in time for persons so desiring to take the 3 o'clock boat back from Star Island to Portsmouth.

I sincerely hope that you and your available daughter will be able to be there.

Future events over which I have no control may make it impossible for me to attend, but I am sure you will understand. I shall be with you in spirit at that time. I had great respect and real affection for your father. It pleases me immensely that his important part in Star Island beginnings is to be tangibly remembered at this time and for many years to come.

Sincerely yours,

*Charles S. Bolster*
