

# Discover. Delight. Unwind.

## Programs for Adults, Youth & Families

On Star Island, off the coast of Portsmouth, NH

Star Island offers all-inclusive programs that focus on a particular theme or topic such as **art, history, climate change, birding, writing, spirituality, and yoga** to name a few!

There are youth activities, meals in the historic dining hall, and plenty of free time to explore the Isles of Shoals, or enjoy kayaking, tennis, swimming and more.

Star Island is also open daily to the public from mid-June through September. We are an hour boat ride from the New Hampshire coast.

Visit our website fore more info!
